

EX-5708-A13-CA

WARNING: THIS FIXTURE IS TO BE INSTALLED BY A QUALIFIED ELECTRICIAN.

Cleaning: Wipe with soft cloth. If necessary, lightly scrub with cloth and mild dish soap. Rinse thoroughly and gently dry. Fixtures may require more frequent cleaning to prevent damage to the finish.

Installation Instructions

1.) Install Support Bracket

- Position the support bracket above the junction box.
- Mark the mounting holes using the lantern as a guide.
- Drill the mounting holes.
- Use the lag bolt for wood or the anchor for brick or concrete.
- Secure the support bracket to a solid structure.

2.) Attach Mounting Strap

- Secure the mounting strap to the junction box.

3.) Make Electrical Connections

- Connect supply wires to the fixture leads.

4.) Mount Fixture

- Hang the fixture on the support bracket.
- Raise the mounting plate to the wall.
- Ensure the fixture is fully supported by the support bracket.
- Ensure the O-rings are positioned between the knobs and mounting plate.
- Secure using the knobs until snug against the wall.
- Do not over tighten.
- Seal the top and sides of the mounting plate with silicone caulk for wet locations.

5.) Install Glass Panels

- Install the glass panels into the lantern.
- Ensure all glass panels are fully seated and secure.
